

Saints are #BoldInGold in 2020

If you haven't heard, the hometown club has some sharp new uniforms they'll be sporting this season. While the look has changed over the years, the most recent uniform set was a basic, clean black and white look.

For this season, we've added a tertiary color that has been dubbed "Dazzel Gold". We'll continue to wear the traditional pinstripes at home, while switching to a classic gray look on the road.

A very special thank to Rambow (<https://rambow.com/>) for hooking us up with the new threads!

For more information and to see how they look before they'll be on display this Wednesday night at home, check out this Twitter thread describing the release:

Did You Know?

In 2019, the Saints as a team slashed .280/.361/.342 as a team. The offense was lead by J. Flick (.356 AVG) and J. Hohenstein (.350 AVG). As a team, there were 6 qualified batters with an AVG of .292 or higher.

Season to Begin Tomorrow, June 17th

The wait is over! With the Minnesota Baseball Association making the decision to allow exhibition games, and with the city of Dassel approving the use of the ball park for exhibition games, the Saints will finally take the field starting tomorrow – Wednesday, June 17th! Here's a look at the upcoming schedule for this week:

Wednesday, June 17th, 7:30pm – vs Sartell Muskies (2019 Region 11C Champions, 2019 State Tournament 2nd round loss)

Friday, June 19th, 7:30pm – vs Anoka Bucs (2019 Class "B" State Tournament 1st round loss)

Sunday, June 21st, 12:00pm – vs Cold Spring Rockies (2019 State Tournament 2nd round loss)

In order to be successful in playing these games, players, staff, and fans must adhere to the MBA guidelines listed here:

Also, if you are a fan that plans to attend (and we hope you do!), you must fill out this MBA mandated self-check form either at this link, or at the gate when you arrive:

<https://scoremonsterclients.s3.amazonaws.com/2/pdf/documents/MBA+Visitor+and+Employee+Health+Screening+Checklist.pdf>

We thank you for being patient and following the guidelines set by the MBA. For these "exhibition games", admission will be free. We will offer a free-will donation box at the gate for you to donate as you wish (funds go to field improvements, team equipment, umpires, etc.). We are encouraging social distancing; with the large number of areas to spectate at Saints Field, we ask that you spread out, and keep your distance. The restrooms are currently undergoing renovation at this time, but temporary portable toilets will be available. We are also working on having the concession stand open with a limited selection at this time, and potentially the beer shed as well. Updates to follow on that.

Day 1 of Saints Rookie League a Success

Young ballplayers from 1st-6th grade were able to take the field on Saturday morning, where they had a blast working on hitting, fielding, and base running fundamentals. This was the first session of three that will take place over the next couple Saturdays. We are looking forward to this weekend!
