**Saints Win in Loretto Behind  
Lights Out Pitching**

The Saints travelled to Loretto on Wednesday night to battle the Larks (and the blinding sun in the visitors dugout). Tyler Zweibohmer took the ball and was a man on a mission, going the distance in a complete game effort, giving up just one earned run while striking out 9. That win puts "Z" at 1-1 in 4 total starts on the short season, with a miniscule 1.29 ERA to this point.

Offensively, the Saints were led by Jeff Janckila, who was 2-3 with a double and an RBI. John Hohenstein also had two hits and a stolen base, while Michael Leffler was able to drive in a run, walk twice, and steal a base of his own.

Another key in this win was the defense, which was very clean the majority of the night, leading to a 5-2 victory. The full box score can be found here:

**Late Innings Cost Saints vs  
Howard Lake**

An early lead wasn't enough for the Saints as they fell to Howard Lake on Friday night. Jordan Flick started on the hill, and was strong through the first six innings giving up just 2 runs to that point. However, the wheels fell off in the 7<sup>th</sup>, and the Orphans were able to plate three runs off of the

**Bats Fall Silent in Delano**

Wrapping up the week, the Saints travelled to Delano. Collin Krick started for the Saints and was solid, but Delano's high powered offense was the story of the game. Four total home runs for the A's ended up giving them the 8-0 victory.

Little action at the plate for the Saints, as they were only able to get three hits on the day and draw just one walk. The hits for the Saints came off the bats of Paul Jacobson, Jordan Flick, and a returning Gus Flick, who had a pinch hit single in the 9<sup>th</sup>. For the full game recap, click here:
