On Wednesday night, the Saints kicked off the week by completing the regular season sweep of the Rockford Crows, walking it off on a Jim Althoff sacrifice fly. Jacob Niemela pitched very well, going 7 2/3 strong innings, and Noah Halonen would pick up the win in relief.

Friday night proved to be a great back and forth battle, with the two teams combining for 22 runs and 22 hits, including a Tyler Brandel home run estimated at 434 feet. However, it would be the Hutchinson Huskies grabbing the 13-9 win.

Sunday afternoon was quite the opposite of Friday. Heading in to the 9th, starter Jordan Flick and the Saints held a 1-0 lead before unfortunately giving it away to the Maple Lake Lakers.. Some miscues lead to a 3-1 Laker win.
