## PINSTRIPE TIMES

# REGION 12C PLAYOFF PICTURE

It's been a long, hot summer to this point, and not that the regular season is over, all eyes are on the Region 12C play-in games. Seven North Star League teams have secured their position in the Region 12C tournament, and the Saints are one of four teams that will look to secure the illustrious #8 seed. The final Region 12C bid will go to the winner of the play-in games, which is where the Saints find themselves along with Maple Plain, the Kernels, and Montrose Waverly. The first games will take place this Saturday.

In a first matchup which has become all too familiar, the Saints will be taking on the Kernels in a 3rd installment of the 2021 "Bike Path Series". This contest will take place on the shores of Brooks Lake at Veterans Memorial Field in Cokato. Although the two teams finished with the same regular season NSL record, the Kernels hold the upper hand of home field advantage since they have more head-to-head wins this season. This game will take place at 7:30pm.

If the Saints are victorious on Saturday night, they will have to bounce right back on Sunday afternoon at 2:00pm against the winner of Maple Plain and Montrose-Waverly. That game will take place at the higher seed's home field. The winner of that game will then face off with the league champion Hutchinson Huskies on Thursday night in Delano.
